

JCCNV Special Needs Department Termination of Service Statement

The JCCNV Special Needs Staff will make every effort to help a child adjust to his/her program. If the staff feels that a child is having unusual difficulty adjusting, the parents will be contacted and a meeting set up to discuss options. If the JCCNV staff feels that the program is not suitable for the child or the child has special emotional or physical needs beyond the capability of the program we will do our best to make accommodations.

However, if the behavior of the child is abusive toward other children, staff, or him/her self, the Special Needs Coordinator may insist on immediate withdrawal of the child from the program.
